

**THIS IS A SPECIAL NOTICE ANNOUNCEMENT ONLY.**

The Naval Facilities Engineering Command Southwest (NAVFAC SW), San Diego, California will be conducting an Industry Day for an upcoming requirement. The requirement is for Environmental Laboratory Services that will include, but is not limited to: providing sampling, testing, asbestos and lead facility inspections, analytical, and laboratory management. The work will be predominantly located at various Naval and Marine Corps installations in the NAVFAC SW footprint including: California (and the islands of San Clemente and San Nicolas), Arizona, Utah, Colorado, New Mexico, and Nevada. Work can also be located in the NAVFAC Northwest footprint, which covers six states including: Washington, Oregon, Montana, Idaho, Wyoming and Alaska; and the NAVFAC Pacific footprint. Please note: environmental samples can be shipped from anywhere; therefore, laboratory testing of samples may be required from any location worldwide.

The NAICS Code for this acquisition is 541380, Testing Laboratories. It is anticipated that the resultant contract term will be for a twelve (12) month base period and four (4), one-year option periods, for a total maximum contract term of five (5) years. The aggregate maximum dollar value of this procurement, including the base year and four, one-year options shall not exceed \$40,000,000.

The purpose of the Industry Day is to provide a brief overview of the upcoming requirement, as well as to obtain valuable feedback from industry. This Industry Day will also serve as a part of the Navy's market research to determine potential sources that may be interested and capable of performing the work.

The Industry Day will be held on Monday, April 20, 2015 located at 1220 Pacific Highway, San Diego, California 92132. Firms interested in attending the Industry Day shall submit the following information: 1) Company Name, 2) Name, Title, Email Address and Phone Number of the attendee(s) via email to Jennifer De Vera at [jennifer.devera@navy.mil](mailto:jennifer.devera@navy.mil) **NO LATER THAN 10 APRIL 2015**. The number of attendees is limited to two (2) per firm due to space limitations. If there is sufficient demand, the Government may conduct more than one Industry Day session. Therefore, the exact time and location for the firm's attendance and instructions to allow entry into the Government building will be confirmed via email response to the firm's request. Specific questions regarding the Industry Day shall be submitted in writing to Jennifer De Vera via email at [jennifer.devera@navy.mil](mailto:jennifer.devera@navy.mil) no later than 10 April 2015. Responses to the questions will be posted on FEDBIZOPPS ([www.fbo.gov](http://www.fbo.gov)).

**THIS IS AN INDUSTRY DAY ANNOUNCEMENT FOR INFORMATION AND PLANNING PURPOSES ONLY** and is not to be construed as a commitment by the Government. This is **NOT A SOLICITATION ANNOUNCEMENT** or a Request for Proposal(s). No proposals will be accepted as a result of this announcement. No contract will be awarded as a result of this announcement. No reimbursement will be made for any costs associated with attending this Industry Day, providing information in response to this announcement, or any follow-up information requests (if any).
